# Montplet Product Range 2020/21

We are a family business in Barcelona that is a leader in the distribution of ethyl alcohol and the production of disinfectant, insect repellent and cosmetic products for both the Spanish and European markets. Since our birth in 1889 we have grown until we became, in 2018, the Montplet Group made up of Alcoholes Montplet and Laboratorios Montplet.

**At Laboratorios Montplet, we have always invested in R&D to offer top level products that meet the needs of the market.** We are currently dedicating all our efforts to the research and production of the essential products needed to cover the sanitary needs derived from the pandemic caused by COVID-19.
